Free Soap & Shampoo Mockup (PSD)

A litmus test of luxury while you're away from home, a hotel's bathroom products may be small in size, but they play a large role in determining guest satisfaction. It's no surprise, then, that hotels are becoming more discerning when it comes to the toiletries they stock, and how they are packaged to reflect their brand. These companies now offer outstanding products at every single one of their properties, which goes a long way in removing guesswork when people plan their next hotel stay.

It is a fruitful decision to incorporate the packaging of toiletries in branding (or rebranding) your hotel or hospitality brand, and we are here to make your job easier with this high-resolution PSD mockup featuring the commonly provided bathroom essentials, brought to you by Delightful Design Studio. Visually appealing and inherently classy, this 4000 x 3000 px mockup frame features a comb, a toothbrush, a soap bar and a shampoo bottle laid out neatly against white sheets, which also imparts the entire frame an eco-friendly look. You can easily place your branding designs and content on the soap bar and shampoo bottle using the smart object layers in Photoshop. Additionally, you are also presented with the option to edit the shadows to make the frame look as realistic as you'd like it to be.

Whether you'd like to advertise your beautiful collection of toiletries using cards placed in the rooms or add it to your campaign to attract more visitors, this lovely mockup is sure to provide solutions for a lot of your branding-related woes!
