After topping the R&B/Hip-Hop charts in 2015 with his sci-fi concept sophomore album, *The Incredible True Story*, Logic returned the following year with his fifth mixtape, *Bobby Tarantino*. His seventh release in as many years and fifth mixtape overall, *Bobby Tarantino* arrived unexpectedly in July on Def Jam/Visionary Music Group. Even without prior notice, it debuted at number 16 on the Billboard 200. Featuring "Flexicution," his first Billboard Hot 100 solo single, the mixtape also featured spots by Pusha T ("Wrist"), Juicy J ("Super Mario World"), and vocals from Jessica Andren, John Lindahl, and George DeNoto. © Neil Z. Well here's an unexpected treat! Out of nowhere, Logic decides to drop off a surprise album for his fans called *Bobby Tarantino*.

Laced with 11 tracks in total, the follow up to his sophomore album, *The Incredible True Story*, comes with a lone feature from Pusha T, who we heard on the previously heard single "Wrist." In addition, the project also contains the record "Flexicution," and serves a prelude to another (untitled) album that Logic says is coming out later this year.

Until then, stream this surprise release from the DMV native (below) and let us know what you think! Be sure to show your support on iTunes too.
