Explore Without Restrain in CATAN – World Explorers!

CATAN – World Explorers on PC is an adventure game where you get to explore the world. Your purpose of exploring the world is four-fold – to harvest, trade, build, and win!

This challenging, adventurous game is offered by Niantic, Inc. and is playable on both Android and iOS devices. Download CATAN – World Explorers and get started on this exciting adventure!

You're a world explorer and your purpose of exploring the world is to harvest natural resources, gather scarce resources, and trade them. In addition, you must build settlements, earn more Victory Points than other explorers, and win!

Enjoy this location-based multiplayer global game with a modern twist. The world is a your game board and all the pieces are placed and set. The clock is ticking and your every move counts.

Exploration is no fun when you don't have company. Team up with your old friends and make new ones as well. Travel to real-world locations in the company of your friends and see landmarks that have undergone transformations to become settlements and resource centers.

Harvest different natural resources such as grain, wool, lumber, brick, and ore. Negotiate and trade with the in-game characters. Use your wits as some characters may drive a hard bargain!

Build huge buildings to improve the local settlements and win different seasonal competitions with your teammates! Form your best strategy and make the world yours!

Completing the CAPTCHA proves you are a human and gives you temporary access to the web property.

What can I do to prevent this in the future?

If you are on a personal connection, like at home, you can run an anti-virus scan on your device to make sure it is not infected with malware.

If you are at an office or shared network, you can ask the network administrator to run a scan across the network looking for misconfigured or infected devices.

Another way to prevent getting this page in the future is to use Privacy Pass. You may need to download version 2.0 now from the Chrome Web Store.

The world is yours to discover, conquer and settle.

Some have the will to be born and stay at their hometown for eternity. Others, prefer to simply travel and go back to the place they believe to belong. And still, there are few who keep their whole life searching for a place to call their own. Which one you are going to be? Play Catan Classic on PC and Mac with BlueStacks and prepare yourself to get on board of the classic board game while you set sail to discover new island, invest in new trade systems, create and forge an entire new community and settle for good. Defeat countless barbarians, vanquish dragons, build a canal for extra expeditions and become the Lord of Catan! Compete against other players for the best settlements and take the longest roads, as they are more likely to help you create a largest army. Download Catan Classic on PC with BlueStacks and become the great Harbormaster! Play special mini games in tons of expansions and protect Catan from barbarians, vanquish the dragons, build canals and discover new uncharted lands. How about creating a new world of your own and giving people the opportunity to grow? You can be that person!
