Other seasons of the show.

Season 6 of the Telly series American Horror Story tells us about the two timelines – now and the American colonization era. One of the events is disappearance of colonists in the late XVI century on the island Croatan. The main heroes are our contemporaries, spouses Shelby and Matt, who live in North Carolina, near the place where once there were homes of Indians. Young people are materialists who do not believe in ghosts, but there are always scary ghosts behind them. At first the couple thought it was a joke of neighbors. Matt complains his sister Lee on the phone and shortly afterwards the family's life turns into a nightmare.

The first season of the show focused on the Harmon family, who move from Boston to Los Angeles to start a new life, and take up residence in an old restored mansion, not knowing that his previous tenants and did not find rest after death. The second season tells a different story – the action takes place around the journalist, who came in a psychiatric hospital for the criminally insane in the hope to shoot a report about newcomers maniac "Bloody face", ruthlessly kills random women. In the third season, we are talking about a coven, disguised as an elite boarding school for "gifted" girls who is trying to protect the last representatives of this species from extinction. The plot of the fourth season revolves around one of the last "circus freaks" in the 1950s. Events taking place in the fifth season of the big forgotten by many of the hotels in the center of Los Angeles. This hotel hides many secrets in its walls. The sixth season is about a couple from California who moves into a new house, where strange and paranormal phenomena begin to pursue them. In the seventh season of the action takes place in the suburbs of modern Detroit. In the center of the story – a resident of New York, suffering from post-traumatic stress disorder caused by the events of 11 September.
