Tower defense is not only about destroying your enemies' towers, but also defending what you build with so much effort and hard work. Some might even say that defending is the best offensive strategy, which gets hard to disagree when you start counting on the most powerful gaming engine ever created. Download Bloons TD 5 on Windows 7, 8, 10 with BlueStacks and make sure you see it all on the big screen of your PC, having the mouse and the keyboard to give you full control of your actions and a much more stable and fast internet connection. Ditch those clumsy

commands and forget about that tiny screen of your smartphone. This is not how games are meant to be played! Plus, there are tons of incredible features just waiting for you to put all your creativity to some good use, like the Multi-Instance mode, for example, in which you can open different apps at the same time or even play the same game twice simultaneously, using multiple Google Accounts. It only depends on how you are going to use it! Embrace ultimate gaming freedom with BlueStacks and improve your chances of ending up as the great winner!
