

battlefield 1942 pc free download

Battlefield: 1942 Single Player Demo.

This single-player demo of Battlefield 1942 includes one.

Category First Person Size 133.3 MB Program by Electronic Arts.

Battlefield: 1942 Single Player Demo.

This single-player demo of Battlefield 1942 includes one mission from the upcoming 3D vehicle-shooter set in Tobruk. The full game will allow gamers to use tanks, dive-bombers, submarines and aircraft carriers while they fight in World War II.

Battlefield: 1942 is a tactical first-person shooter set in World War II. It introduces combined arms tactics, using tanks and dive-bombers, submarines and carriers, and machinegun nests with AA-artillery. Every aspect of WWII warfare will be accessible to a player and his friends from an FPS perspective, and the ultimate goal is to win enough campaigns to win the war.

Battlefield 1942(tm) Single player Demo 1.0.

Battlefield 1942 now available for free!

To celebrate our 10th anniversary and two millionth Premium member, we are giving away Battlefield 1942 for free! Relive it if you're an old-time fan. See where it all started if you're new to the series. You can download Battlefield 1942 right now on Origin at: <http://origin.com/demos> and learn more about this DICE classic here: <http://blogs.battlefield.com/2012/11/download-bfl942-for-free/>

If you have any questions about this release of Battlefield 1942, see the FAQ below. To discuss the game, head to our newly opened Battlelog forum.

Battlefield 1942 Origin Digital Download FAQ Q: Is it really free? A: Yes! To celebrate the 10th anniversary of Battlefield 1942, we are offering the full game at no cost. We want everyone to be able to see where it all started.

Q: When is it available on Origin? A: It's live now under the free games and demos section! Head to this URL to download it: <http://origin.com/demos>.

Q: Where can I learn more about Battlefield 1942? A: At this recently updated product page: <http://www.battlefield.com/battlefield-1942> and at this games page on dice.se: <http://dice.se/games/battlefield-1942>.

Q: Is this a remake of Battlefield 1942? A: No. This is the original game Battlefield 1942, for the first time available as a digital download on Origin.

Q: Does this free digital download version include any of the expansion packs originally released for Battlefield 1942 (The Road to Rome and Secret Weapons of WWII)? A: No.

Q: Can I play online against players who have the original disc-based version? A: No. This Origin digital download version can only be played against other players who are using the same version. But since it's free for everyone, everyone can download their own copy of the game. This version of the game will only show applicable (new) servers in the server browser.

Q: What are the differences between this version and the original disc-based version of Battlefield 1942? A: No practical differences. We have done some under the hood work to make this game from 2002 work as a digital download title on Origin.

Q: Can I run a server for the game? A: Yes, you can easily run a server from the front end menu within the game client. This server will be visible to all other players via the server browser.

Q: Can I run a dedicated server for the game? A: Yes, you can run a dedicated server by running the file "DedicatedServer.exe". It is located in the folder where you installed Battlefield 1942 through Origin. This will present you with all available settings, maps and modes for you to customize before pressing the button "launch server". This server will be visible to all other players via the server browser.

Q: Do you have official servers set up? A: We are setting up new servers specifically for this release of the game. You should find them by searching for the phrase "EA PUBLIC".

Q: I have problems connecting to online games A: Please note that a sudden surge of players into Battlefield 1942 may make online play temporarily unstable. If this happens, please try again later.

Q: Can I use this version of the game together with old Battlefield 1942 mods? A: This is untested and we cannot guarantee any mod functionality. Sporadic testing leads us to believe that Desert Combat 0.7 works, as well as Eve of Destruction 2.5. For more discussion on popular mods, head to the new Battlelog forums we have set up specifically for this release of Battlefield 1942. Please share your findings on which mods work and which do not.

Q: Will I need to manually patch this version of the game? A: No. This version includes any updates needed. If we were to update this version of the game in the future (this is not likely), we will do so via Origin.

Q: I have a question that is not answered here. Where do I go? A: Please note that while we are proud to present this game to all of our fans after 10 years, we are not able to actively support it from a customer support standpoint. Tailoring this disc based game to work as a digital download title has been a labor of love from us at DICE, and we are very proud to be able to offer this classic to everyone for free.

However, we are not able to support it the same way we are supporting Battlefield 3 and its expansion packs. We are hoping that those who find Battlefield 1942 interesting will have patience with any issues they experience and that they will help each other on the EA Answer HQ at <http://answers.ea.com/>.

We are also opening up a new forum section on Battlelog where you can discuss Battlefield 1942 and specifically this Origin release of the game.

Battlefield 1942 - SP - Game demo - Download.

Demo version of Battlefield 1942 , a(n) action game, SP, for PCs and laptops with Windows systems. Free and legal download. Enjoy!

Developers from Digital Illusions decided to move the realities of World War II on the screens of our computers. In Battlefield 1942, which assumed was created mainly to have fun at the network (up to 64 players on the local network and the Internet), players can play the soldiers of both sides of the conflict. Worthy of note is that we will be able to choose not only whether we are "nasty Nazi", or "heroic Yankee", but also the type of unit in which the "we serve". We can be both an ordinary foot soldier, and czo ◆gist◆, a fighter pilot and Commander of the destroyer.

Battlefield 1942 Download Free.

Namun jika anda ingin lawan yang lebih menantang dan cerdas, anda bisa memilih mode multiplayer. Pada mode ini anda akan dihadapkan pada lawan dalam jaringan di internet atau LAN. Karena kepopuleran Battlefield 1942 Download sebagai sebuah game perang bergenre FPS, banyak sekali tipe MOD yang muncul. Namun sangat disarankan anda memainkan versi aslinya karena cenderung lebih stabil dan nyaman.

Di dalam Battlefield 1942 Download , anda dapat bertindak layaknya seorang prajurit perang. Anda bisa menggunakan senjata-senjata yang ada, berbagai kendaraan yang tersedia seperti pesawat, kapal selam bahkan sebuah tank. Kebebasan ini membuat pola permainan Battlefield 1942 menjadi semakin menarik bagi sebagian besar orang.

Developer: Digital Illusions Publisher: Electronic Arts Series: Battlefield Release date: 10 September 2002 Genre: First-person shooter Mode: Single-player, multiplayer.
