Experience the definitive Dishonored collection. This complete compilation includes Dishonored, winner of over 100 Game of Year awards, as well as all of its additional content – Dunwall City Trials, The Knife of Dunwall, The Brigmore Witches and Void Walker’s Arsenal.

Developed by Arkane Studios, Edge Online’s 2012 Studio of the Year, Dishonored is an immersive first-person action game that casts you as a supernatural assassin driven by revenge. With Dishonored’s flexible combat system, creatively eliminate your targets as you combine the supernatural abilities, weapons and unusual gadgets at your disposal. Pursue your enemies under the cover of darkness or ruthlessly attack them head on with weapons drawn. The outcome of each mission plays out based on the choices you make.

The Knife of Dunwall In The Knife of Dunwall, take on the role of Daud, the legendary assassin who killed the Empress. After assassinating the Empress, and forever changing the fate of Dunwall, you embark on a search for redemption. Gain access to Daud’s new weapons, gadgets and supernatural abilities as you traverse through parts of Dunwall yet unseen, including the city’s whaling center, Rothwild Slaughterhouse, and the heavily guarded Legal District.

The Brigmore Witches Continue your journey as the legendary assassin, Daud, in The Brigmore Witches. This conclusion to Daud’s story will put you at odds with warring gang factions and the dangerous Brigmore witch coven. Journey through undiscovered locales within Dunwall, including Drapers Ward and the Brigmore Manor, where you will be met with supernatural forces that test the limits of your new weapons and abilities.

Dunwall City Trials In Dunwall City Trials, experience Dishonored’s flexible combat system, stealth gameplay, and distinct settings in a whole new way as you make your way through 10 distinct maps that feature a variety of challenges. Put your stealth, combat and mobility skills to the test as you clear demanding objectives, unlock new achievements and secrets, and climb up the global online leaderboards.

From the grimy, rat-infested streets of Dunwall to the lush, exotic coasts of a decaying Karnaca, immerse yourself in stylized locales created by Arkane’s premiere art and narrative teams. The world is a character in its own right, rich with story, architecture and eclectic characters. It is also punctuated by signature mission locations, such as the Dust District, ravaged by dust storms and warring factions, and a madman’s mansion made of shifting walls, deadly traps and clockwork soldiers. Dishonored 2 is beautifully brought to life with the new Void Engine, a leap forward in rendering technology, built from id Tech and highly-customized by Arkane Studios. Designed to support world-class art direction and take full advantage of the powerful hardware this generation has to offer, the Void Engine allows for significant advances to all game systems, including responsive stealth and combat Artificial Intelligence, lighting and graphical rendering.
