Being an aquarium owner isn't easy these days. Not only do you have to ensure that your fish are well fed, but you also have to fight off mean aliens!

Fortunately you have a whole gang of crazy pets to help you. For instance, Zorf the Sea-Horse helps you with feeding duties, and Itchy the Swordfish helps you fight off those pesky aliens.

Even better, your fish are no ordinary fish! These cute little fellows drop valuable coins! And you'll need every penny you can get, since the price of fish-food isn't going down!

Completely original gameplay! Cute and colorful graphics! Low and high resolution versions for color devices! Enhanced sampled sounds for Sony and Palm OS 5 devices! Three different game modes! Three wacky types of fish to care for! Coin-dropping guppies, voracious carnivores, and bizarre star catchers! Two attractive aquariums, each with unique features and strategies. Four scary alien invaders! Play ten Quest levels to hatch ten pets! Can you find the hidden pet, Brinkley the Scuba-diving Elephant? Collect cascades of money to get a high-score in Time Trial mode! Are you tough enough to collect all the egg pieces in the terrifying Challenge mode?

"If you enjoy games that are filled with action but not focused on violence, I think you'll enjoy Insaniquarium. I recommend it highly." Susan Gustafson, Pocket Press.

"A very big Thumbs Up for the folks at Astraware and PopCap Games for what will undoubtedly be one of the best games of the year" David Eaton, PDANews 24.

No man who does not like animals to any sort and that because there are some so innocent and cute creatures that pc games download make you cherish them in place and on this occasion you can win also some friends.

"Insaniquarium Deluxe" propose this time to pay attention to the fish that can be of course some goldfish but for this to be accomplished will depend on you so take care of them like your own children and for that you will have some work.

And the first and most important aspect that you must take into consideration is the food so feeding them at the right time and once adults will help you and will dropping coins for you to grab so get ready for an exciting experience.

For that you have your own aquarium in which to start with just a small group of fish and that to see if you're doing and if you know how to manage then you can increase the aquarium with many species even with exotic fish.

But once there will be more means more food so your challenge will be to get the money as much and as fast as necessary to provide food but not only you will need also weapons and that because the dangers are everywhere.

Especially enemies that will appear in various forms of which the most ferocious enemies of yours will be aliens and also other marine creatures just waiting to appease their hunger with your fishes.

So you should always be prepared and on stage because they are very cunning and nobody knows when negligence of yours may be an opportunity for these miscreants enter the tank and undo all the work and your efforts.

The whole responsibility will fall on your shoulders now and it will be the ultimate test that you will have to pass and if you succeed you'll be able to continue your adventure by unlocking other ways to play.
