Game Description & Reviews:

Kingdom Hearts II: Final Mix + is an Action Role-Playing game, developed and published by Square Enix, which was released in Japan in 2007. Below are the Summaries and Titles of the Kingdom Hearts Games included in Kingdom Hearts II: Final Mix+ for Playstation 2 Kingdom Hearts Re:Chain Of Memories.

Sora, Donald and Goofy travel down a long road that meanders through endless fields, and come to a crossroads. As Sora stands in the crossroads, he gazes up at the night sky and thinks of his lost friends. Just then, a mysterious man approaches from down one of the branching paths. 'Ahead lies something you need,' he says, 'but to claim it, you must lose something dear.' The man vanishes before a single path, leading to a castle that eerily resembles a girl's drawing. In the coming journey, what will Sora and his companions gain, and what will they lose? Kingdom Hearts II Sora is looking for his lost friends Kairi and Riku, while Donald and Goofy are searching for their missing king It has been a year since the events of KINGDOM HEARTS. Sora and friends are joined by a vibrant new cast of characters, including the king himself! Together, they will encounter countless dangers in worlds both familiar and brand-new. It seems the Heartless, or at least some form of them, still exist. A new villain also awaits, hidden by a mask. Is it someone familiar or a new opponent to be confronted? This mystery and others will be solved as the story unfolds in a grand adventure.

Extract the patcher and patch in the same directory as your iso. You may want to back up the iso first, but drag the language patch file onto the patcher exe and type the name of your iso when required and hit enter. Your iso should now be patched.

There are some strings that were kept untranslated because they are useless, like the summaries of the story in Theater Mode or some debug messages from the Theater that became unused on the final version of the game. Some strings missed were from the Hollow Bastion and the Twilight Town. If you find them please report them to me.

Also if anyone is interested in translating the game for other languages, the author has expressed consent to contact him as he will be more than happy to share his tools that he used.
