Where to Download Anime Music.

YouTube is one of the most popular websites in the world, with videos about almost everything, from music, sports, movies, news to fashion. There, one can find almost any anime song and album, new or old, popular or obscure, which is good news for anime fans.

The bad news is that YouTube doesn't support direct video or audio download. Don't worry. There's an easy workaround to make it an anime music download site. Below are instructions on how to find and download music there.

How to find anime music.

Step 1. In the YouTube search box, type in your search term. It can be words like "anime music" or "best anime songs 2019". Or, just type in the name of the anime music you are looking for, say, "fairy tail ost main theme".

Step 2. This step is optional, but can be useful. In the upper left corner of the results page, you can find the Filter tool, which allows you to efficiently filter anime music videos, playlists and channels.

Steps for anime music download.

To easily save any anime song or original soundtrack album from YouTube, you can use software like iFunia Free YouTube Downloader (for Mac) or aTube Catcher (for Windows). Here we will take the former as an example.

iFunia Free YouTube Downloader Main Features.

Download videos from 1000+ sites like YouTube, Facebook, Instagram, etc. Download videos & playlists to MP4 or MP3 Download entire YouTube playlist with 1 click Download SD, HD 1080p, 2K, 4K and even 8K content Support batch operations.

Step 1. Download and install iFunia Free YouTube Downloader. Launch it.

Step 2. On www.youtube.com, find the anime music video you need and drag its thumbnail into the said app. Alternatively, you can also copy and paste video URL (in the form of <https://www.youtube.com/watch?v=xxxxx>).

Step 3. Click the Format dropdown list and choose mp3 - audio . To download anime music, click the download icon.

Once the anime music download is finished, you can click the folder icon to find the MP3 file.

Tip: If you find a great YouTube playlist containing the anime music you need, you can use the same app to save all (or selected) tracks in the playlist in MP3 format with one click. Copy and paste playlist URL (in the form of <https://www.youtube.com/playlist?list=xxxxx>). Select MP3 as the output format and click the download icon in the upper right corner of the interface.

The same app and instructions can be used to save any video (or playlist) from over 1000 websites in MP4 or MP3 format with high quality and speed.

Some popular anime music on YouTube.

Naruto Soundtrack - Sadness and Sorrow (FULL VERSION) Shingeki no Kyojin/Attack on Titan - Full OST (320Kbps) Death Note Original Soundtrack (OST) - FULL Parasyte OST Full Shigatsu wa Kimi no Uso (Your Lie in April) OST Cowboy Bebop OST 1 - Tank! The Best of Fairy Tail Battle/Motivational Soundtracks Fullmetal Alchemist: Brotherhood - Original Soundtracks [Complete HD]

#2 The Hylia Anime.

As of November 2019, this anime music download site provides 1,750 albums and 24,042 songs for download. One of the great things is that you can find some little known anime songs and albums on the site. Also, it's very easy to search and download the music you need. However, there's a downside. Despite the long list of anime albums available for download, many popular and new soundtracks are missing. You can follow the steps below and easily get the songs or albums you like.

Step 1. In your web browser, open the site. Note that it doesn't require registration for anime music download.

Step 2. Navigate to the search box in the upper right corner of the site. Type in the name of the song or album you are looking for. Click the Search button.

Alternatively, you can use the letter browsing options. For example, if the anime album name starts with the letter A, just select A.

Step 2. To save all the tracks in an album all at once, click Download to Computer (FLAC+MP3).

To download an individual song, click the song name. Right-click Download to Computer as MP3 or Download to Computer as FLAC and select Save Link As (or a similar option). Click Save to download anime music.

Gendou is a dedicated anime music download site. It lets users efficiently search and download anime songs. You can search or browse songs by song title, anime or artist, which is convenient. Although it doesn't provide the download of full anime OST albums, it makes it super easy to save individual songs to your computer. Your favorite anime song is just one click away.

As of November 2019, it provides more than 7,500 songs. Its anime music library is obviously smaller than that of The Hylia. But on Gendou you can find some popular anime soundtracks that are not available on The Hylia. If you want to download new anime music in 2019 or 2018, chances are you can't find any on both sites. If so, go to YouTube instead.

Step 1. Go to gendou.com. From the navigation menu at the top of the site, select Music > Download. Click login, which will redirect you to the login page. Click Register. Register an account, which is necessary to use this website.

Step 2. Go to Music > Download. In the search box, type in the name of a song, an anime or an anime music artist. Click the Search button.

Step 3. Click a song. And the process to download anime music will automatically start.

#4 Dailymotion.

Just like YouTube, Dailymotion is a popular video-sharing site where you can find videos on different topics including anime and anime music. It allows you to easily find anime music videos, channels and playlists. To do so, just type in the music you are looking for in the search box in the upper right corner.

Dailymotion doesn't provide an option for users to save any content from it. To make it an anime music download site, you can use the aforesaid iFunia Free YouTube Downloader for Mac or similar software. This way, it will become extremely easy to rip videos from Dailymotion in MP3 or MP4 format.

Here's another popular video-sharing website. It's a great place to find videos on a wide variety of topics such music, comedy, documentary, fashion, food, sports, and, of course, anime music. Just type in the anime song title in the search box and click the Search button. Unfortunately, it doesn't support direct download of any content including anime music. The workaround mentioned above can help!

#6 FreeAnimeMusic.

Just as the domain name suggests, it's a site where you can find free anime music. On its Search page, you can easily find the specific music you like by entering the title of a song or anime. You can also discover anime music by going to the Ranking page. There, you find a list of the top 30 anime soundtracks. There is no way to download music from the site. But here's a solution. You can use an audio recorder to record the songs you like.
