You awaken in a jail with a plan. to escape. Yeah you didn't think it through very well. Never the less your adventure will lead you across the prison through dark tunnels and fighting the monsters that live in them. Will you be caught or get out of the jail after all the time you have spent sitting around in the prison walls?

Your quest will last around an hour and is designed for people who are semi good at Minecraft. You are unlikely to do well if its the first map you have ever done yet it's not so challenging as to be hard for Minecraft experts.

We are aware that occasionally you may not spawn in the intended place, it happens to us a lot when we are playing adventure maps. So here are the spawn coordinates: x 268, y 76, z 208.

If you ever struggle in the game and want to see what you need to do next or just watch the map makers play the game check out our YouTube Channel: <http://www.youtube.com/user/TheDiamondHoeOnline>.

+9 SomeRandomGuy For those of you who are smart and do not want to use this sketchy link, here is the direct link to the download:

Atleast i would not want to use this sketchy link if i did not know how to turn of everything that i allowed the site to do, (notifications, extensions etc.)

Btw, this map sucks, it is so bad. My sister (8) can do better than this. Sometimes you get randomly teleported, (i got teleported from the plane to the freezer)

How to play prisons.

To increase your mining grade, you must first pay the owed amount. Do `‘/grade’` to find that price. If you have aquired enough gold, use the command `‘/grade up’` confirm the purchase.

Gold can also be used to purchase tools and other items to help you escape the prison. TIP: Buying a pickaxe will allow faster mining, thus increasing income generation.

PVP Mine.

Use the command `‘/pvp’` to teleport to the PVP Mines. There are lots of valuable materials here but be careful. PVP is enabled.

Escape.

Grade Z is the final grade in the game. Achieving Grade Z is how you win on the Prison server. You are FREE!

After escaping, buy a plot. This is your own place where you can build, and enjoy your freedom. Visit the Handyman to buy items for your plot. You can buy blocks, doors, stairs, fences, and much more!

Lifeboat Store.

Prisons is only free to play for a limited time. Purchase a Prison Game Pass or UberVIP for unlimited access on this fun economy game.
